Details

Rythu Bima is a social security initiative of the Government of Telangana launched on 14th August 2018, aimed at providing financial support to the families of farmers in the event of the farmer's untimely death. The main objective of the scheme to ensure financial security to the families of deceased farmers by offering life insurance coverage for both natural and accidental deaths.

Benefits

- **Insurance Coverage:** ₹5,00,000/- per eligible farmer
- **Coverage Type:** Natural and accidental deaths
- **Claim Settlement Mode:** Direct bank transfer to the nominee's account
- **Claim Process:** Entirely online, farmer families are not required to visit any office

Eligibility

1. The applicant must be a farmer.
2. The applicant must be a resident of Telangana.
3. The applicant must be aged between 18 and 59 years.
4. The applicant's details should be available in the Dharani database under RoR (Record of Rights) land records.
5. The applicant should possess a valid Pattadar Pass Book (PPB) or a RoFR (Recognition of Forest Rights) Patta.

Application Process

Offline

Registration Process

Step 1: Voluntary Enrolment by Farmer:

- Farmer shares personal, land, and nominee details with the Agriculture Extension Officer (AEO).

Step 2: Entry into Rythu Bima Portal:

- AEO enters enrolment data into the Rythu Bima online portal.
- Includes uploading required documents.

Step 3: Land Record Verification

- Farmer's land details are automatically verified using the Dharani land records database.

Step 4: Authentication

- Mandal Agriculture Officer (MAO) authenticates the data submitted.

Step 5: LIC ID Generation

- LIC generates a unique insurance ID for the farmer.
- SMS with LIC ID is sent to the farmer's registered mobile number
